

March 18<sup>th</sup>, 2013

Teen volunteers are essential in creating a successful Safety Town experience for 150 Corvallis pre-Kindergarteners. Our aim is to choose the volunteers that are a positive addition to the program, and in turn we provide a service opportunity and valuable experience.

**Tax ID #23-7153987**

Below is our Safety Town Teen Volunteer general selection criterion.

- 1) All Safety Town Teen Volunteers must be a current BGCC member. A "member" is defined as any youth that participates in, or has participated in, one of our BGCC programs (Clubhouse, athletics) during the current school year. Attending dances does not count as being an active member.
- 2) Safety Town volunteer applicants that are not currently members may register for a membership.
- 3) Active members will receive first consideration for open positions. Youth that are currently invested in the Club and its programs will have first opportunity to engage in service opportunities at the Club.
- 4) This program has been designed primarily for middle school students, as their ability to attain similar service opportunities is often limited.
- 5) Returning Safety Town volunteers who have received positive feedback from staff and interns will have their experience factored into selection decisions.

**Officers**

Scott Jackson - Under Sheriff  
President

Steve Redman  
President-Elect

Brian Robertson  
Secretary Treasurer
