Parents of teen instructors!

Thank you so much for you and your students interest in Safety Town as a Teen Volunteer! As a quick overview, Safety Town is our Corvallis safety program with a goal of involving as many community partners as possible to educate our kindergarteners and 1st graders in essential safety lessons!

One of the most important parts of the program is our teen volunteers! Our teen volunteer program is designed to give teens opportunities to lead, make impactful decisions, and receive coaching and training in youth development. We become a close group in the summer and it's a great opportunity to meet new friends and join an amazing team! All teens will receive training before working at Safety Town and will have opportunities to choose roles as different leaders and team members of the volunteer squad.

Training will take place the Monday before each session:

Monday – July 8th / 12:00 – 3:00

Monday – July 22nd / 12:00 – 3:00

Teens typically have two options for volunteering:

Half day/ One shift worked AM or PM

Full day/ Teens stay from 9:00 – 4:00. Free lunch is served at the aquatic center.

BGCC Staff are provided to hang out with teens during lunch.

Two-week session or full month available!

Every day we will have a 30 minutes' prep time, where teens will make decision to our schedule, programs, and set up. Additionally, we will have wrap up and team time to discuss challenges and success after each session. Thanks again for your interest in the program! Please, feel free to contact me with any questions.
